# Nature Human
# "Don't Come Back"

Don't come back
If you're only gonna break me down
Don't be like that
'Cause I've given you my heart
Don't play it

After all is said and done
I believed I was the one
Love is not a game of hit and run
Baby

Chorus
Don't come back
Till the day you love me
Say goodbye
Ain't nobody gonna see me cry
I'm the only one and girl if you can't see that
Don't come back

In my mind
There's a picture I can see
So clearly
If only you believed
That baby you should be with me

After all is said and done
I believed I was the one
Love is not a game of hit and run
No, no, no baby

Chorus
If your gonna break me down
Don't be like that
Don't come back

Don't you come back until you love me
There ain't nobody gonna see me cry, no
And girl if you don't know why, oh

Don't you come back until you love me
There ain't nobody gonna see me cry, no

And girl if you can't see that
Don't come back

Chorus
