Sometimes things can get crazy
But that's no reason to go run and hide
I haven't heard from you lately
The days and nights just keep on passing by

Well I guess that it's over
But I have no fear in letting go
I gotta look to the future
It's time to face the music
And make it on my own, so

Don't cry for me baby
I'm operating on a natural high
Don't you cry for me baby
The past is over, so kiss it goodbye

Don't you stand in my shadow
'Cause when you do I take it personal
I guess it's time to let you go
Can't sit here waiting for a miracle

I got to get a reaction
Communication seems to be a no
What happened to the attraction
If I don't get an answer
I think I better go so,

CHORUS

Don't you cry for me
Don't shed a tear for me
I'm gonna be al - right
Don't you cry for me
I'm not in misery
I can't wait

I'm gonna have me a good time

CHORUS

So dry your eyes, no need to cry, no time for sad

goodbyes

It's time to go, nothing to show, so baby don't you cry
