If I was your man, I'd be here every day
If I was your man, wouldn't treat you that way
He's never home, he never calls
How can you tell me he's yours?
If I was him, and you were mine
Girl you'd know it for sure.

If you were my girl, I'd give you it all
Why can't you see he's faking?

He don't love you, no
But he don't want anyone else to have you
He don't wanna let go, so baby tell me why you
Let him treat you so,
When I would do anything to have you
Make your mind up, what you wanna do
He don't love you, no

Oh, tell me, do you know his friends?
Girl, do you know the score?
Don't you think it's strange they don't know who you
are?
He takes you out to somewhere new
Then he leaves you alone
And if you talk to anyone, then he tells you to go

You forgive him then he does it again
Tell me how come you take it

He don't love you, no
But he don't want anyone else to have you
He don't wanna let go, so baby tell me why you
Let him treat you so, when I would do anything to have
you
Make your mind up, what you wanna do
He don't love you, no

Make you mind up, what you wanna do
He don't love you
Make your mind up, what you wanna do
Make your mind up, what you wanna do

Make your mind up, what you wanna do
He don't love you
Make your mind up, what you wanna do
Make your mind up, what you wanna do

If you were my girl, I'd give you it all
Why can't you see that he's faking?

Make you mind up, what you wanna do
He don't love you, no

He don't love you, no
But he don't want anyone else to have you
He don't wanna let go, so baby tell me why you
Let him treat you so, when I would do anything to have
you
Make your mind up, what you wanna do
He don't love you, no
