"Party Feels So Fine"

We're gonna have a party

Let's have a party

Come on people - grab somebody

Everybody's on the floor - got the groove 2 on 4

So come on take me - 'Cause I've been waiting

For this party to arrive - so won't somebody shut the
light

Lover here for every kind

Everybody's satisfied

Livin' every moment 'cause it feels so fine

CHORUS

We're gonna have a party (everybody party)

Let's have a party (everybody party)

We're gonna have a party (everybody party)

Let's have a party

'Til the break of dawn

Everybody gather round now

Human Nature 'bout to play - all the ladies gonna stay

So come on down now - we got it goin'

Well this night ain't gonna die- 'cause everybody's
feelin' fine

Lover here for every kind

Everybody's satisfied

Livin' every moment 'cause it feels so fine

CHORUS

(Everybody's gonna feel so fine - ya gotta check the beat

Everybody's gonna feel so fine - ya gotta check the beat)

It's gettin' early - nobody sleeping

I ain't a workin' 9 to 5 - that kind of thing it just ain't right

So party people - gather round now

'Cause I got something to say - and this party's here to stay

CHORUS

There ain't no other I'd rather

be lovin' with baby

Down on the floor is the

place I'll be doin' ya baby
