Baby, baby, what can I do?

'Cause I just can't get over you

Like an Elvis song on a 45

I'm just so lonesome I could die

Bridge:

If love is a fever

Then I need the potion

My baby don't care

Oh listen now

Chorus:

Ooh, aah, my mama said

I gotta shake you outta my head

Good girls are one dime a dozen

Gotta get me one instead (yeah)

Ooh, aah, my mama said

I gotta shake you outta my head

Ooh, ooh, ooh, ooh, ooh, yeah

Shake you outta my head

Na, na, na, na, na

Na, na, na, na, na

Na, na, na, na, na

Oh, oh, oh, yeah, yeah

Na, na, na, na, na

Na, na, na, na, na

Na, na, na, na, na

Baby, who-a-who could be so cruel?

To break the heart of a lonely fool

My happy days never felt so sad

You know this hound dog love is bad

Bridge

Chorus to fade
