Sometimes I wish that I could turn back time

I check myself cause I was way out of line

I only hope that we can start all over again

I must admit that I was more then wrong

I used your heart like a stepping stone

Please forgive a fool who doesn't know what to do

What do I do

CHORUS

And I wish that I could have just one more chance

And I wish that I could be your pillar of strength

And I pray that you will see that what I'm saying is true

'Cause I, I wish for you

In my mind I can see your face

You're on the breath of every word I say

If there's anyone to place the blame on - It's me

Baby can't you see?

CHORUS

I wish for you

I wish for you (for you)

Oh baby I wish

I really miss you baby

I think about you baby (all night long)

I really need you baby

I wanna hold you baby

Stay (won't you stay) with me

CHORUS

I wish for you

I wish for you (for you)

Oh baby I wish

For you
