(He-he don't break even, but I)
(Bay-b-b-baby)
(Woohoo)
(He-he don't break even, but I)
(I just can't help it, can't help it, I'm falling)

I'm seeming to remember
The day you came and called my heart
I never thought that this could be (this could be)
We we're never meant to go this far

I keep holding on
Even thought its wrong
I can't help it
But I need to know
Should I stay or go?
Coz' I'm looking out for me

I've got time and you can have it all (ohohhh)
I've been waiting patiently for you to call
Coz' I'm looking out for me (me-m-m-me-m-m-me-m-m-
me-me-me)

(Bay-b-b-baby)
(I'm falling)

I'm falling
And I just can't help it
I'm falling
Who'd ever thought you'd be the one
That I'd want in my life
That I'd fall in love with

I'm falling (falling)
And I just can't help it
I'm falling
Who'd ever thought you'd be the one
That I'd want in my life
That I'd fall in love with (That I'd fall in love with)

I've been thinking 'bout you lately
And all the things we've said and done

I never thought you were for me (were for me)
I already had my special one

Since you came my way
Nothing feels the same
And I can't help it
And do I stay and lie
Or follow what's inside?
I know what it's gotta' be

I've got time and you can have it all (ohohhh)
I've been waiting patiently for you to call

I'm falling
And I just can't help it
I'm falling
Who'd ever thought you'd be the one
That I'd want in my life
That I'd fall in love with

I'm falling
And I just can't help it
I'm falling
Who'd ever thought you'd be the one
That I'd want in my life
That I'd fall in love with

(He-he don't break even, but I)
(Bay-b-b-baby)
(Woohooh)
(He-he don't break even, but I)
(I just can't help it, can't help it, it, it)

I'm falling
And I just can't help it
I'm falling
Who'd ever thought you'd be the one
That I'd want in my life
That I'd fall in love with
