[Kool Keith]

This for all you motherfuckers bitin my space shit
Get off my dick, I was born on Jupiter

[K] Yeah! Throwin the monkey-fuckin-wrench in the
business

[K] Yeah; all that trendy shit out there

[T] That old fake shit

[K] So regular

[T] That common shit

[K] Shit that stink

[T] Word up

[K] Do this!

[T] Like you knew this, haha

[T] This is how we do

[K] Yeah

[T] Every, every day all day, haha

[Keith] All you rappers are wack on my balls, picture
Kodak

Niggaz be talkin like they hard, they fuckin asscrack

[Tim] These wack MC's tryin to sound like Kool Keith

I shoulda take a bat and knocked out they front teeth,
POW!

[Keith] From New York to Cali MC's keep poppin shit

With messed up grammar, your weak style ain't stoppin
shit

[Tim] Rappers nowadays clog my dick like it's fog

Ever since I came out, everybody want to be a Dog

[Keith] You on my list, your project building just
drowned in piss

When I hit your city, your area, blow your rectum

[Tim] I got that hardcore, rap score, elevated folklore

Nonsense I ignore, Tim Dog is culture

[Kool Keith]

Take out your whole backpiece, blow your fuckin
spectrum

Wipe off your shirt, your style is baby doo-doo squirt

I don't care, beware, smell smoke watch your back

I'm up close like acne pimples in your ass crack

Atomic workout, strategy for fuckin jerks

Your album's asshole, overused with inserts
Still light up shit point blank like fuckin fireworks
Niggaz get busted cause half fights(?) for Greyhound
Penalties are deadly for quality, how your shit sound?
I'm not followin motherfuckers.

[Chorus: Tim Dog + Kool Keith]

Niggaz on some Ultra shit, niggaz on some Ultra shit
How many niggaz is on our dick? (Get off the dick!)
Niggaz on some Ultra shit, niggaz on some Ultra shit
Niggaz on some Ultra shit . (Get off the dick!)
Niggaz on some Ultra shit, niggaz on some Ultra shit
How many niggaz is on our dick? (Get off the dick!)
Niggaz on some Ultra shit, niggaz on some Ultra shit

[Chorus last line #1]

(Get off the dick!) Niggaz on some Ultra shit (For life)

[Tim Dog]

God damn it's a brand new year
Comin back with the full packed mac, bustin off with
the raw raps
Rippin rappers out the frame, cause it's like that
You want your mic back; bitch you're gonna have to
fight back
Raise up, raise up, if you're nice and
niggaz fuckin with D-O-G, is like McNeely fuckin with
Mike Tyson
I'm slicin, dicin MC's, they call me ginsu
Niggaz get me amped, watch me get mental
Perplexed I project my lyrical context
Bust nuts in rappers anus cause it's better than sex
Hey yo I'm mad, and "I'm Bad", like Mr. Cool J
I'm back with my man Kool Keith, hip-hop hoo-hooray
Get down, for my crown, cause I'm a scholar
Niggaz shit is so wack I wouldn't pay a fuckin dollar,
holla
(Hooooooo!) Fuck it

[Chorus]

[Chorus last line #2]

Niggaz on some Ultra shit (Get off the dick!)

[Kool Keith]

Clench up tight, them champagne rhymes won't work
tonight
Just raw beat, you're buttnaked standin on the street
Ass out cold, my target blows out your rectum hole
Niggaz get flushed like wet Pampers down the
commode

German warfare, crazy style just like Hitler
No soft samples, corny loops, fuck fiddler!
Niggaz get carried away with basic shit, every day
Useless mics, and vinyl time a bunch of wack skits
Ex-lax reveal your steelo's got the shits
Pack a bag, zip up your drama, fuckin catch the bus
Niggaz already been through sad stories; fuck y'all
Gus

Yeah I don't give a fuck about the sunny Stet(?) drums
Who's usin the Alfonso Moons, whatever I don't give a
fuck
Cal(?)DeJade I don't give a fuck, any snare, whatever
Distinctive loop, fuck it all
Motherfuckers can go search downtown
and find all these records if you want; I don't give a
fuck!
