I see you, you see me  
Watch you blowin the lines when youre making a scene  
Oh girl, youve got to know  
What my head overlooks  
The senses will show to my heart  
When its watching for lies  
You cant escape my  
Private eyes  
Theyre watching you  
They see your every move  
Private eyes  
Theyre watching you  
Private eyes  
Theyre watching you watching you watching you  
watching you

You play with words you play with love  
You can twist it around baby that aint enough  
Cause girl Im gonna know  
If youre letting me in or letting me go  
Dont lie when youre hurting inside  
cause you cant escape my  
Private eyes  
Theyre watching you  
They see your every move  
Private eyes  
Theyre watching you  
Private eyes  
Theyre watching you watching you watching you  
watching you

Why you try to put up a front for me  
Im a spy but on your side you see  
Slip on, into any disguise  
Ill still know you  
Look into my private eyes
