The way, you are  
Away, out far  
We've had, our past  
I hope, it lasts  
I love, you though  
This love, can grow  
We've reached, our peak  
We're strong not weak

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?  
Would you save me? Would you save me?

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?  
Would you save me? Would you save me?

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?  
Would you save me? Would you save me?

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?  
Would you save me? Would you save me?

The way, you are  
Away, out far  
We've had, our past  
I hope, it lasts  
I love, you though  
This love, can grow  
We've reached, our peak  
We're strong not weak

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?

Would you save me? Would you save me?

Don't leave me hangin coz you know what I'm feelin  
I go crazy, I go crazy  
And if I asked you would you stop me from fallin?  
Would you save me? Would you save me?
