Baby ,

Baby ,

Feel....

Baby ,

Baby ,

Your presence was no surprise ,
I seen your dancing , caught my eye ,
I seen you look me up and down ,
You seem the type to mess me around ,

Baby ,

I know ur right ,
Iv seen the way you look in my eyes ,
You're not the type to play my heart ,
I kind of loved you from the start ,

Iv found the love of my life ,
This time i know this feeling is right ,
So baby take my word on this ,
My love for you is in my kiss ,

This time i know ur right ,
My future is looking bright ,
I cant express the way i feel ,
Baby, this love's for real ,

This love's for real

This love's for real

Baby ,

I know ur right ,
Iv seen the way you look in my eyes ,
You're not the type to play my heart ,

I kind of loved you from the start ,

Iv found the love of my life ,
This time i know this feeling is right ,
So baby take my word on this ,
My love for you is in my kiss ,

This time i know ur right ,
My future is looking bright ,
I cant express the way i feel ,
Baby, this love's for real ,

This love's for real

This love's for real

This love's for real
