I'm standing up, I'm on the edge,  
I'm ready and willing to go on through with that  
I'm sick of wasting time, I'm trying to live my life,  
one that I shared with you  
I want, girl, you've opened up my eyes and girl,  
gonna have you by my side so  
I'm ready to try on love, I'm ready to give my heart to  
you  
I'm ready to try on love, cause baby you're my dream  
come through  
I'm ready to, I'm ready to, I'm ready to try on love, hey,  
yeah

There's been so many times I thought I had it right  
But the deeper I got the less I saw the light  
I was not the same with you, so how you pull me  
through  
And wherever I go, I'll make it through with you  
Oh girl ,you've opened up my eyes, and girl, have you  
by my side  
I'm ready to try on love, I'm ready to give my heart to  
you  
I'm ready to try on love, cause baby you're my dream  
come through  
I'm ready to try, I'm ready to try, I'm ready to try on  
love, oh

And whatever comes I'll wait,  
if we fight it together we'll make it through it babe  
I'll clash my heart and my soul, to say you won't let it go  
And no matter the score, just know my love will endure,  
oh, oh, oh

Cause baby you're my dream come through,  
I'm ready to oh, I'm ready to oh, ready to try our love  
Ready to try on love, I'm ready to give my heart to you  
I'm ready to try on love, cause baby you're my dream  
come through  
I'm ready to , I'm ready to, I'm ready to try on love, try  
on love.
