It's a sunny day outside

Lovely sunny day outside

Happy butterfly outside

I'm locked up inside

I don't know if I can hear another tale of how amazing
you can be

I don't know if I can hear another tale of how amazing
you can be

Such a lovely day outside

Fairies waiting

Birds are flying in the sky

Office meeting

Perfect temperature outside

Let's go swimming

Freezing deep inside

I don't know if I can hear another tale of how amazing
you can be

I don't think that I have really ever seen just how
amazing you can be

I met some friends of mine

I used to call them friends

One of them was not so hairy

One of them was not so scary

I ran into a girl I knew before I was on TV

She stopped to get my number

Cause she said that she was glad to see me

I don't think that I have really ever seen just how
amazing you can be

I don't think that I have really ever seen just how
amazing you can be
