Hey boy
Do you ever see me?
I feel kind of dizzy
When I meet you

Hey boy
Are you thinking of me?
Or am I just crazy
When I see you?

My heart beets 1, 2, 3 (Hello)
When I see you boy
Oh baby I
My heart beets 1, 2, 3 (Hello)
When I see you boy
Oh baby I
I've got a crush, (Crush) crush
Feeling it is such a rush (Rush) rush
I want you to be my crush (Crush) crush
I can't get enough of this crush

You know
Everytime we're talking
I can't stop the shaking
It's cus of you

I know
That if I could tell you
At least I would try to
I'm not afraid

So how do I know
If you really feel the same?
So how do I know
If we'll find a way?

My heart beets 1, 2, 3 (Hello)
When I see you boy
Oh baby I
My heart beets 1, 2, 3 (Hello)
When I see you boy

Oh baby I
I've got a crush, (Crush) crush
Feeling it is such a rush (Rush) rush
I want you to be my crush (Crush) crush
I can't get enough of this crush

(Hello)
(Hello)

I've got a crush (Crush) crush
Feeling it is such a rush (Rush) rush
I want you to be my crush (Crush) crush
I can't get enough of this crush
