**[ VERSE 1 ]**

Yo check it, there's a girl around my way  
Don't ask for names, cause I won't say  
She's a real pow-wow who likes to play  
Nah, dukes, her name ain't Fay  
This girl couldn't be 19 or more  
Always waggin her tail and on all fours  
Real big hips with legs so healty  
I asked her who's her man, but she won't tell me  
Every now and then she might spend  
Sometime with another female's boyfriend  
Why? I don't know, maybe for fun  
If you got the burger, she got the buns  
Who you do with it, is your own thing  
One time she nominated me the Burger King  
I think of it now, even as I rhyme  
We all determined she's a real good time

But a stunt  
Is just like a blunt  
Burnt  
And a hoe  
Yo dukes, they burn you slow

**[ VERSE 2 ]**

A pair of tight pants is all it takes  
And the next thing you know, old Jimmy's awake  
Believe that, Jimmy has to get loose  
I recommended her to be my personal masseuse  
She's a real fly girl if you get to know that  
Take her to a party, watch her throw that  
Party into gear, like she was a jeep  
Four-wheel drivin into the sheets

Stunts  
Are just like blunts  
Burnt  
And a hoe  
Word dukes, they burn you slow

**[ VERSE 3 ]**

The more you listen, the better it gets  
I still haven't mentioned the girl's name yet  
Anyway I continue, I do intend to  
Say a little more, not to offend you  
Baby, maybe you enjoy the diss  
Tell me, love, do you remember this?  
One Monday night it was me and the gees  
On the avenue puffin the sensi  
Hasheem and Foundation was on the phone  
I broke out to see if you were home  
Got to your house, went around the back  
You had on a night gown with nothin underneath that  
Took me in your room, hung up my coat  
Asked me if I wanna play \_Love Boat\_  
"Yeah, how do you play it, remember?", I said  
Then you pushed me into your waterbed  
Raised my sail, squabbed the deck  
Came up and put a hickey on the side of her neck  
Worked me over and got undressed  
Sent me home and said I needed to rest  
I went on the ave., weak as a mouse  
Build wasn't out there, he was at your house  
Stayed for an hour, then he left  
Shabazz went in, Melquan went next  
Hour by hour, minute by minute  
I wonder if you cleaned it before we got in it  
A few days later I said wait a minute  
I saw all the Gods sittin in the health clinic

Stunts  
Are just like blunts  
Burnin  
And the hoes  
Word em up, they burnin slow

Check it out:

[ Doctor ]  
I have some good news and some bad news for you  
guys  
The bad news is: you guys are all dripping  
But the good news is: I have these penicillin shots for  
you]

[ VERSE 4 ]  
There you have it, see what I mean?  
Served my justice by a big butt in jeans  
Now I know the actual truth  
Never again will I mess with -  
If you can rhyme, fill in the name  
Don't get upset, just play the game

Remember her bark is worse than her bite  
I wonder who the girl is with tonight  
Maybe a drug seller, a crackhead, drunk  
And he's nothin but a donut ready to dunk  
She's nothin more than a female hound  
Doin 3 to 6 years in the dog pound

But stunts  
Yo dukes, just like blunts  
Burnin  
And the hoes  
Word em up, they burnin slow

I hope my girl ain't checkin this out, man  
I'd be in crazy trouble  
But yo, I'ma get with y'all brothers later, man  
Gotta go take this dosage, man  
Peace
