This song right here, is for all my Lolas!
Worldwide, tryin' make that money,
Pay the bills, take care of the kids
You know what I mean?
Just live life!

Se murio Lola! Que Lola? Lo lamento.
Que mento? Mento santo. Que santo? Santa Ma.
Que ma? Manati. Que ti? TiburÃ³n.
Que RÃ³n? RÃ³nbocu. Que cu? Who you?
Cubo de agua. Que agua? AguarÃ³i.
Que ra? Rabo de mono. Que mono? Monopolio.
Que poli? Policia. Que cia? Se acabo.
Que bo? Bocachica. Que chica? Me.

Lola's new to the business
Dominican princess
She in the malcÃ³n
Work it girl
Tryin' get it on
She got jungle body, jungle music
About to lose it
You can't touch her crown
Lola Lola don't mess around

She love it when your body go [x4]
Up up up up up up up up up
She love it when your body go
Up up down

Ging danga, ging danga, ging danga
Ging danga, ging danga, ging danga
Ging danga
[x4]
