I am the Lyte (repeated)

[ VERSE 1 ]

Examine the style used in this sequence  
The rhyme's the clue, the record's evidence  
To the fact that I'm hypin this episode  
Cold carryin the extra wide load  
The beat is fat and the rhyme is thick  
All over the town you hear the sound and pick  
Me, the L the y the t the e  
Me, and if you see the Rock, I'm sure you'll see  
Me (Hey Lyte, what will you be doin?)  
Kickin it, bashin down competition  
And when I drop the bomb, you'll listen  
Boom! Now that I've got your attention  
I'm slammin what you wanna hear  
I just thought that I should mention  
'89 is the Lyte year  
Now's the time to roll like a rhinoceros  
Step to Lyte, that's preposterous  
I'm heavyweight, though I'm lightweight  
My looks the hook, my rhymes the bait  
And when I throw the line you proceed to take  
The goody, the treat that I hand you  
That you couldn't refuse  
Damn, I cram to understand you  
Your love is to Lyte to lose

[ VERSE 2 ]

I think you deserve this, you waited long enough  
For a rhyme that's super-duper extra tough  
Every human is lurkin and loomin  
Puba on the beat and you know the shit is boomin  
Tasty like pastry, fresh from the bakery  
First Priority, that's the way it has to be  
Feel the drum, I bet it makes your body numb  
One for all, and all for one I bet you come  
Hurry, hurry, step right up and see the show  
MC Lyte and K-Rock are about to throw  
Get on line and purchase your ticket  
(Hey, don't worry) Lyte is gonna kick it

(Go on, be happy) I put you up on the scoop  
Now come and watch the party hoop

[ VERSE 3 ]

I am the Lyte, and it is time for me to go  
You wanna beef, save that shit for the toilet bowl  
I use styles, styles and much many styles  
I leave smiles, smiles and much many smiles  
On the people who come to see the Lyte perform  
(Word is bond)  
The rhyme will kick as the brain will tick  
You can tell because the record'll sell  
Old styles and new styles formatted together  
Bold or dull, so it doesn't matter whether  
Which comes first or vice-a versa  
It won't make a difference, as long as you rehearse-a  
Get it down pat, and come right and exact  
MC Lyte is comin right and I'ma say goodnight

[ Grand Puba Maxwell ]

Yeah  
MC Lyte in effect for '89  
One time to wreck that mind, boy  
Yeah  
Ah  
Pump, pump, pump it up  
Yeah  
Sure nuff  
MC Milk  
Warlord of the mixboard  
In effect  
Sure shot  
Yeah  
Pump (pump) (pump)..  
Mh-hm
