Stars shining bright above you  
Night breezes seem to whisper "I love you"  
Birds singing in the sycamore tree  
Dream a little dream of me...

Say "nighty-night" and kiss me  
Just hold me tight and tell me you'll miss me  
While I'm alone and blue as can be  
Dream a little dream of me...

Stars fading but I linger on dear  
Still craving your kiss  
I'm longing to linger till dawn dear  
Just saying this

Sweet dreams till sun beams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me...

Stars fading but I linger on dear  
Still craving your kiss  
I'm longing to linger till dawn dear  
Just saying this

Sweet dreams till sun beams find you  
Sweet dreams that leave all worries far behind you  
But in your dreams whatever they be  
Dream a little dream of me...
