Hey girl, i know hes put you down  
for every new love that he has found  
hey girl, i know youre feeling sad

Youre sad and blue,  
just remember why your feeling sad  
im waiting on you, yeah

I know hes only trying to score  
i've seen him, i've seen him play with hearts before

Don't try to put him down, he's not the only boy around  
(he's the only boy around)  
and you, you shouldent feel so blue

(vocal solo goes like "baaabababa bababaaaa"  
repeated.)

I know there will be another time, but i'll be his.  
(or you'll be mine)

Hey girl, i know youre feeling sad  
(i'm sad, so sad and blue)  
just remember why your feeling sad  
im waiting on you, yeah

Don't try to put him down, he's not the only boy around  
(he's the only boy around)  
and you, you shouldent feel so blue

repeat x3
