I call your name
But you're not there
Was I to blame
For being unfair?

Don't you know I can't sleep at night
Since you've been gone
I never weep at night
I can't go on

Don't you know I can't take it
I don't know who can
I'm not going to make it
I'm not that kind of man

Don't you know I can't sleep at night
But just the same,
I never weep at night
I call your name

Don't you know I can't take it
I don't know who can
I'm not going to make it
I'm not that kind of man

Don't you know I can't sleep at night
But just the same (yeah)
I never weep at night
I call your name
I call your name

I never weep at night
I call your name, (yeah!)
