I saw her again last night,
And you know that I shouldn't.
To string her along's just not right.
If I couldn't, I wouldn't.

But what can I do?
I'm lonely, too.
And it makes me feel so good to know
She'll never leave me.

I'm in way over my head.
Now she thinks that I love her.
She knows that's what I said,
Though I never think of her.

But what can I do?
I'm lonely, too.
And it makes me feel so good to know
She'll never leave me.

Every time I see that girl,
You know, I want to lay down and die,
But I really need that girl.
Don't know why I'm livin' a lie.
It makes me want to cry.

I saw her again last night,
And you know that I shouldn't.
To string her along's just not right.
If I couldn't, I wouldn't.

But what can I do?
I'm lonely, too.
And it makes me feel so good to know
She'll never leave me.
