Once I believed that when love came to me
It would come with rockets, bells and poetry
But with me and you it just started quietly and grew

And believe it or not
Now there's something groovy and good
'Bout whatever we got
And it's getting better
Growing stronger warm and wilder
Getting better everyday, better every day

I don't feel all turned on and starry eyed
I just feel a sweet contentment deep inside
Holding you at night just seems kind of natural and
right
And it's not hard to see
That it isn't half of what it's going to turn out to be

Cause it's getting better
Growing stronger, warm and wilder
Getting better everyday, better everyday

Ba da da da da da da da da da da da

And I don't mind waitin', don't mind waitin'
'Cause no matter how long it takes
The two of us know
That it's getting better
Growing stronger, warm and wilder
Getting better everyday, better everyday
