First star I see tonight  
I wish I may, I wish I might  
Have the wish I wish tonight

A banker's daughter or a runaway girl  
A little lady or a honky-tonk Pearl  
Has to find someplace in this world  
Where she feels at home

A banker's daughter is so hard to deceive  
A little lady is so hard to please  
Honky-tonk Pearl wears her heart on her sleeve  
And her heart will not grow cold

First star I see tonight  
I wish I may, I wish I might  
Have the wish I wish tonight

Here's a wish for a runaway girl  
Here's a prayer for honky-tonk Pearl  
Hope she finds someplace out of this world  
Where she feels at home

First star I see tonight  
I wish I may, I wish I might  
First star I see tonight  
I wish I may, I wish I might

I wish I may, I wish I might  
Have the wish I wish tonight
