Don't get mad, don't tell no lie.  
don't make me sad just pass me by.

But baby are you holding, holding anything but me?  
'couse im a real straight shooter if you know what i  
meen.

You can bring me love, you can hang around.  
You can bring me up, you can bring me down.

But baby are you holding, holding anything but me?  
'couse im a real straight shooter if you know what i  
meen.

I've been searching out all night, i need to find what im  
looking for  
(uuh uh)  
Baby, baby treat me right, or i wont come round your  
door, nomore.

You can bring me love, you can hang around.  
You can bring me up, you can bring me down.

But baby are you holding, holding anything but me?  
(yeah)  
'couse im a real straight shooter if you know what i  
meen.

[musical break]

I've been searching out all night, just to find what im  
looking for  
(looking for, looking for, looking for)  
Baby, baby treat me right, or i wont come round your  
door, nomore.

Don't get mad, don't tell no lie.  
don't make me sad just get me high. (yeah)

But baby are you holding, holding anything but me?  
'couse im a real straight shooter if you know what i

meen.

'couse im a real straight shooter if you know what i  
meen.

[repeat until end]
