Ohh with your heart not your hands
With your heart not your hands
Do you understand what I said, baby ?
Yes, yeah

Lost a little woman
The loss is your's
You feel my power
Caught in the monkey grip
Fool for a feeling
Loosing your mind

Still I'm stoned so I can't deny
Crushing the jungle one time

With your heart not your hands
Love me, love me, yeah
Do you understand ?
With your heart not your hands, baby

Crime's getting old
Cause you're set for sure
Can't you feel my power ?
Call me a casanova
Fool for a poison
Don't mind if I
Still I'm stoned so I can't deny
You're bottle, bottle, bottle of love

Ohhh with your heart, with your heart not hands
With your heart not your hands
With your heart not your hands
One time for the man

Told you I'm an ape man
Cause I'm free, I am free
I'm naked on my own time
Look at me, look at me
No, my time is my own time
So I drove on down
And I'm a-hangin' out, chuggin' out, gettin' drunk

With your heart not your hands
With your heart not your hands
With your heart not your hands
I said, yes I said
One time

(I doubt these lyrics are right,
but it was the best I could do trying
to understand what he was saying)
