[Ced Gee]

Yo this next joint is dedicated
to this old school DJ we know, Chuck Chillout
Peep it

[KK] Yeah

[Chorus: Kool Keith]

Chuck Chucky, Chuck Chillout
Chuck Chucky, Chuck Chillout
Chuck Chucky, Chuck Chillout
Chuck Chucky, Chuck Chillout

[Kool Keith]

As I freak with that hyper dope I'm with Chuck, fuller
trunk
off my style get sexy, the phantom with the spunk
Kickin one-oh-seven, the point five gettin liver
like a redneck truck, he'll be the tractor trailer driver
Pushin my low-down, I'm headed up the turnpike
In Madison Square Garden, Boogiemane to Burmite
No rapper out there, in groups can compare
I take they baldhead girlfriends, and give 'em all some
hair
Respect is due, not tryin to be so Jamaican
United States immigrant, your first black President
Intelligent Chill, like rock'em sock'em robots
MC's get played, just like a Slinky and a Go-bot
I know they styles are weak, I flush 'em down like doo
doo
They just that brown stuff, floatin in the baby's boo boo
I run this game, you suckers know my name
Great walls of fire! I roast you in the flames
I'm Kool Keith, my thing is long and pure beef
Signin off, check it out the master
Comin with that great stuff like, Beetle Bailey

[Chorus]

[Ced Gee]

It's the super, producer, coming out crazy

When I grab a mic, I could never rock lazy
I went downtown, and I had this girl named Maisy
I came back uptown, did a show and got loot
I got paid with foodstamps, quarter fifty cent juice
I wiped off the sweat, cause I never ever let
I wiped off the sweat, cause I never ever let
a roachy thing like that, get me on the low
Instead I write up rhymes, I come out with the flow
It comes out kind of hyped, now people don't be scared
If you're poor I got sympathy, here's some welfare
A wick wick wicky, check I'm gettin sticky
My foodstamps are so late, I had to watch the Ricky
Lake, show, get deep into the topic
Make up my own subject, turn on the radio
Listen to the man, you know

[Chorus] - 1.75X
