

## Ultramagnetic MC's "Dolly and the Rat Trap"

Visit "[Dolly and the Rat Trap](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Yo, I met this fine motherfuckin' bitch last night man  
Pussy taste like strawberries man  
I was up in the crib chillin' and spendin' much cash

Yo, I hear you man  
Them big shot bitches be perpetrating  
And you still be taking a loss  
Look at Donald Trump

I know a bitch named Dolly, she live uptown  
She got a fly new Benz, kid of Asian brown  
Every night she would front and try to flex on the X  
For no reason, with that diamond and stud shit

With two other girls, on that glamor and big shit  
Walkin' around, at Apollo and Bentley  
Sportin' the weave like the Queen of the Centuries  
Lookin' for Buster, Holyfield and Tyson

Jordan and Sugar Ray, a cake with icing  
Dolly walked in, with a tiger-striped mink coat  
Her friend had on some shit, I think it was billy goat  
Tryin' to play all and many boogie down brothers out

Regular b-boys, the crew and others out  
Steppin' to bar, the first order was champagne  
Dolly had a fat ass with Tina and Charmane  
Lookin' for tank four on E with no gain

The Benz was outside, parked with no gas  
Bitches inside, frontin' hard in first class  
Tryin to play the X, like fucked up TV  
Lookin' for green to get to Washington D.C.

You give him his car back, money and coat back  
Shoes and hat back, the credit you're known for  
Hoein' out of state with the big drug dealers  
From East to West and only cash money stealer

Charlie got much shit, them bitches are eatin' well  
You say to yourself, I'm Al Capone, so what the hell  
Damn, I jerked three hundred G's

I coulda put out a group with ten or twenty MC's

And made megabucks but you never did realize  
Dolly was shifty with her lips and chinky eyes  
Never had a dime but know how to get one  
Jerk one take one out for a long ride

With Tina and Charmagne, bums on E side  
Lookin' for BM's, Cherokees and Jaguars  
Benzes and Audis for the brothers with Jettas  
Watch yourself and step away from the rat trap
