and the dealers debate

wen dey realise u lost dis battle  
and ur the only 1 to blame  
ur gal says i got magic like harry potter  
ull b watchin me in the winnin stand like a trainspotter  
they also call me the numba 1 gladiator  
the 1 and only god creator  
im hard like a nut  
yet sweet like candy  
its nt my fault u was drunk on 1 shandy  
il leave u left for dead, wait 4 the pain 2 start to spread  
from ya toes to the top of ya head
