(Kool Keith)

I'ma take these ward, Ultramagnetic release the vinyl
and competitor's limo drivers come to the Bronz from
Connecticut

A legacy that was born, since KRS and Scott LaRock
The flow is hard to jock, with the formula
Who can stop the UG controllers from droppin bombs
on the block?

These guys really think they stars on the block
I move in right after ya, sign your shit like Metallica
You would think I came with drums and a band
When the crocodile step on your drawings you wouldn't
understand
You would become a remodeled fan
It's time to let America know you tell Uncle Sam we jam

(Chorus)

Mechanism nice - mechanism, mechanism,
mechanism, mechanism
Reincubated - mechanism nice, born twice
Mechanism nice, reincubated
Born twice

(Kool Keith)

It's like nobody compensatin and changin the
movement structure
The operation is far in your mind
How many telescopes you bring in like the Jurassic Park
Dinosaur, I'm not dyin no more
We headlinin Dave Matthews tour
Don't sleep cause y'all be layin with the jab, from judo
on the floor
with bad news more, I can spot bad news whore
by the yappin of the jaw
The funky drummer, wouldn't buy the underwear in the
drawer
Underwear, underwear

[Chorus]

Mechanism nice! Me-cha-ni-sm
Mechanism nice! Reincubated - reincubated, born twice

Mechanism nice! Born twice

(Ced Gee)

Now we did shows with the Masters of Ceremonies

Rakim and Eric B.

The Wu-Tang Clan to MC Shan

And of course the cats from around my way, Boogie

Down Productions

Otherwise known as BDP

Rooftop, Latin Quarters

Union Square, Disco Fevers

From the hardest clubs to the biggest arenas

Over a billion people have been blessed to have seen
us

From Princeton to Amsterdam, France to "O! Canada"

We get love around the world

We didn't need any management to handle us

On the tour bus, snappin and rappin

with the Big Daddy Kane, Kool G. Rap

My man DJ Polo, Positive K

And of course I can't forget the Scoob and Scrap

The realest of the realniks, cats who had your back

Stealin shit from Arby's, with tons of cash in our
backpacks

Yeah

(Chorus/Outro)

Mechanism nice! Me-cha-ni-sm

Mechanism nice! Reincubated - reincubated, born twice

Mechanism nice! Born twice

Mechanism nice! Me-cha-ni-sm

Mechanism nice! Reincubated - reincubated, born twice

Mechanism nice! Born twice

Mechanism nice!

Mechanism nice!
