[Kool Keith]

Yo I seen the sheriff and Deputy Bill, they all scared  
Those boys'll be into town in the morning  
We gotta get our horses and get out of town

Oh no, who you? Gotta gotta get back  
Stompin with the boots like a 4-H Horsemen  
I shoot a rhyme like a hunter do a reindeer  
Walk up on a moose, and smack Mother Goose  
You say I'm buggin, liquor's all I'm drinkin  
Drivin on the road with a Continental Lincoln  
I see a red light, you're thinkin headlight  
I move around, grab a ticket, then I plex  
You ain't the man with a cow and a haystack  
I tote a shotgun, I make 'em pay back  
I see a bank job, I catch 'em out there  
You take a space test, I'm the atmosphere  
You ain't the funky one, you catch a back smack  
I make you run, tuck your tail where your maps at  
This ain't no country town, you in the city B  
I throw some doo-doo on a wannabe, an MC  
I ain't no President, the 4th Swingmen  
I'm hittin homers like the Mets, Abe Kingman  
Get off my jock while you stare at us in the field

The sheriff is scared, who the Four Horsemen? {\*3X\*}  
The sheriff is scared~!

Continuin, close yo, back as I kick up  
See them rappers runnin, singers I will stick up  
I put 'em way out, make 'em lick my head right  
I turn 'em porno, make them wear those panties tight  
I'm not the bum from the underground or dog pound  
The funky Horseman, jumpin on a Greyhound  
We takin 95, I'm steppin to you jack  
And all them records on my pubic sound whack  
I roll the Peterbilt, somethin like a mack truck  
You pick up one, holdin bodies in the bread truck  
Deliver two like the man see the mailman  
West of Cali, San Jose railman  
I pick a bean, bringin rice like an outlaw

You see the rain catch a bass on the outpour  
I drop the X on my horse with the saddle an'  
No time for games like a battle with a rattle an'  
Step in my town, don't play yourself

The sheriff is scared, who the Four Horsemen? {\*4X\*}  
The sheriff is scared~!

Yeah tonight we gotta get out here  
We gotta meet "The Good, The Bad & The Ugly" at the  
next saloon (uh-huh)  
Everybody put on their saddles  
Ride out cowboys (YEE-HAW~!)

{\*repeat "Calling W2"\*}
