Baby, why'd you go and make me  
so clearly out there, in love with you  
I take you all around town  
we turn it all upside down  
I take you everywhere  
you're always, always

Oh, oh,  
you're staring at your phone  
you're leaving me alone  
I'm trying to get through  
Oh, oh  
I'm dancing like a fool  
I'm singing out of tune  
just trying to distract you

Baby, this might sound crazy  
so clearly out there, all I want is you  
I take you all around town  
we turn it all upside down  
I take you everywhere  
you're always, always

Oh, oh  
you're staring at your phone  
you're leaving me alone  
I'm trying to get through  
Oh, oh  
I'm dancing like a fool  
I'm singing out of tune  
just trying to distract you

now where would we be  
in 1983  
with far less technology  
We'd hold each others hands  
like Jack and Dianne  
would we have talked too much  
at all now would we

Oh, oh

you keep staring at your phone  
don't want to be alone  
just want to be with you  
Oh, oh  
I'm dancing really cool  
I'm singing this tune  
just trying to keep you  
(Repeat)
