I want you
I can't get you off my mind
Oo you turn me on
Stay

I know you think it's wrong
being here alone with me
but I wanna understand you,
and the way you feel
You must feel something
or you wouldn't have let me get this far
so don't be afraid, just give in

Oo baby
come on and just let me
Oo baby
come on and just let me

CHORUS
I want you
I can't get you off my mind
Oo you turn me on
Stay

I want you
I can't get you off my mind
Oo you turn me on
Stay

If you let me have you, just this once
I promise never to want you anymore
Cause what's happening here just feels so good
and I must admit, the forbidden always arouses my
temptation

Ooo baby
come on and just let me
Ooo baby
come on and just let me

(I'm thinking about you)

I want you
I can't get you off my mind
Oo you turn me on
Stay

(I'm wishing I had you)
I want you
I can't get you off my mind
Oo you turn me on
Stay

Do you think about me?
Do you feel the way I do?
I want you
