Verse - A.C.]

I Come Home Early From The Club (Cause Of You)
I Think I Finally Found Love (Cause Of You)
I Cut Off Them Other Side Chicks
Turn Off The Cellphone Shut Off The SideKick (Cause Of You)

I Ripped Up My Little Black Book (Cause Of You)
I Even Wrote That R&B Hook (Cause Of You)
I Might Even Get Down And Even Cook (Cause Of You)
(Cause of you, cause my boo, cause I'm true, cause of who, cause of you)

[Ne-Yo]

Want to, but I can't help it
I love the way it feel
Just kind of stuck between
My fantasy and what is real
I need it when I want it,
I want it when I don't
Tell myself I stop everyday knowing that I won't

I got a problem and I,
(Don't know what to do about it)
Even if I did, I don't know if I would quit,
but I doubt it I'm

Taking by the thought of it
and I know this much is true
Baby you.. have become my addiction
I'm so strung out on you
I can't barely move,
but I like it
and then it's all because of you
(all because of you..)
and then it's all because of you
(all because of you..)
and then it's all because of you
(all because of you..)
and then it's all because..

Never get enough, She's the sweetest stuff (ohh)

I been at the whole week,
No zeeep, n no sleep
Put it on no sleep ('cause of you)

You talk of marriage and I get cold feet
Don't weep its me, dont think for a second it's ('cause
of you)
I wanna tour no sheep
I never thought id run into someone so wonderful and
so sweet ('cause of you)
An I wouldnt go cheat now
Cause of you, cuz my boo, cuz im true, cuz of who, cuz
of you!

Think of it every second,
I can't get nothing done
Only concern is the next time
I'm going to get me some
Know what I should stay away from
'Cause it's no good for me
I try and try, but my obsession won't let me leave

I got a problem and I
(Don't know what to do about It)
Even if I did, I don't know if I would quit,
but I doubt It I

Taking by the thought of it (heyy)
and I know this much is true
Baby you.. have become my addiction
I'm so strung out on you (strung out on you)
I can't barely move, (ohh)
but I like it (and i like it)
and then it's all because of you (ohh)
(all because of you..)
and then it's all because of you
(all because of you..)
and then it's all because of you
(all because of you..)
and then it's all because..

Never get enough (Never get enough), she's the
sweetest stuff (ohh)

Ain't no doubt (no doubt..), so strung out (strung out..)
Ain't no doubt (i said it ain't no doubt), so strung out
(heyy) Over you (Over you), Over you (you..), Over you
(you..)

ohh whoo ohh

Because of you and it's all because of you.

Never get enough, she's the sweetest stuff

She's the sweetest stuff
