I can't stop thinking about it  
It's captured in my soul  
Crazy things you're doing  
You know, I'm loosing control

The harder I fight, the better it feels  
When it finally takes over  
Leaves my body shaking  
The harder I fight, the better it feel  
When it finally takes me over  
Leaves my mind torn

I'm twisted  
Can't believe what you've done to me  
Twisted on your love  
Can't believe you're making love to me

I'm pushed to the limit  
Strained against the wall  
Driving deeper inside  
Till you reach my heart

The harder I fight, the better it feels  
When it finally takes me over  
Leaves my body shaking  
The harder I fight, the better it feels  
When it finally takes me over  
Leaves my mind torn

I'm twisted  
Can't believe what you've done to me  
Twisted on your love  
Can't believe you're making love to me
