We're going through  
We're going through  
We're going  
Englands going through  
We're going through  
We're going through  
We're going  
Englands going through  
Look at the England team today  
There not gonna go away  
We just know  
We're so sure  
That Englands gonna go all the way  
And their here to stay  
And forget the day  
At France '98  
Three lions on a shirt  
Jules Rimmet still gleaming  
A few more years of hurt  
Will never stop us dreaming  
A few more hopes, a few more dreams  
And now it all seems  
Like Beckham,  
And Scholes  
Will score more goals  
Three lions on a shirt  
Jules Rimmet still gleaming  
A few more years of hurt  
Will never stop us dreaming  
And now it looks like,  
Owen ready to score,  
Shearer looking for more  
Batty better than before  
And now im seeing  
Three lions on a shirt  
Jules Rimmet still gleaming  
A few more years of hurt  
Will never stop us dreaming  
We danced Nobby's dance  
We danced it in France  
We're going through

We're going through  
We're going  
Englands going through.....
