This could be the year to celebrate and cheer  
Pitch  
Bench and terraces  
We're all wanting the same thing

If you believe in us we won't betray that trust  
Through the streets of Manchester you're gonna hear  
the people sing

Gonna lift it high  
Gonna lift it high  
Our only limit is the sky 'cause through the triumph and  
the grief  
It's all about  
It's all about  
It's all about belief  
It's all about belief

This could be the team to achieve the dream  
We got nothing to prove but we want it all the same

United we are  
Already come so far  
We will not rest until the whole world knows our name

Gonna lift it high  
Gonna lift it high  
Our only limit is the sky 'cause through the triumph and  
the grief  
It's all about  
It's all about  
It's all about belief  
It's all about belief

Gonna lift it high  
Gonna lift it high  
Our only limit is the sky 'cause through the triumph and  
the grief  
It's all about  
It's all about  
It's all about belief

It's all about belief  
It's all about belief  
It's all about belief  
It's all about belief  
It's all about belief  
It's all about belief  
It's all about belief  
It's all about belief

This could be our year
