I was a certified .. before 14
Just a fellow .. walking on the block with a box
Like I was radio .. couldn't wait to make a statement
Every girl on the scene
I'm in. used to rock the double ,
Once .. a black woman .. I used to sleep in
Mama always said I look good in the black
But it's black like you .. pimping in a .. track suit
Ladies call me ,and those with the guitars
They said I couldn't but I knew that ..
They loved Obama shorty had to represent
Pimp bigger than ,Jefferson
Acting like the world was mine
Cause I was caught up in a moment with no space or
time
.. money
It ain't anything really funny in
.. Saturday night
They wanted a DJ who can .. and an MC how can rock
with
Everybody feeling alright
Cause when they come into the party and they see us ,
Wanna be .. and alone
Wanna a DJ who can play and a MC who can sing
Come on

This record is , like I love music
Kong-fu fight on the floor like Bruce Lee
Love singing Gucci Gucci Prada probably
Yeah I'm gonna smoke above Marley
That's what we're used to listen to the ,
The bridge was so new

Ain't no doubt about it

I can see the sky line
.. it's my time
I'm a rock bigger ,
What's the scenario?
This is the , for your .. stereo
.. money

It ain't anything really funny in
.. Saturday night
They wanted a DJ who can .. and an MC how can rock
with
Everybody feeling alright
Cause when they come into the party and they see us ,
Wanna be .. and alone
Wanna a DJ who can play and a MC who can sing

Thanks to feel
