Invite yourself in like a bad case of fleas  
Parasitic ploy fills and obvious need  
Set me up  
Cut me down  
Cash me in  
Spit me out  
Thanks for nothing  
Stealing the fire from the unsuspecting  
Freak  
Opportune time to perpetuate the breed  
Set me up  
Cut me down  
Cash me in  
Spit me out  
Thanks for nothing  
The pressure builds  
The balance sets  
The level tilts  
As thoughts compress  
Try your best you will  
To bury my head in the sand  
Keep me lost in the dark  
With the promise of a new spark  
Played me  
Drained me  
Tried your best  
To win  
Played me  
drained me  
You try  
Try  
Plowing your way through a delicate maze  
Crushing the dreams that a lifetime made  
Rest will come away as the planets fall in line  
Karma piling up will catch in time  
Set me up  
Cut me down  
Cash me in  
Spit me out  
Thanks for nothing  
Played me  
Drained me

Tried your best  
To win  
Played me  
Drained me  
You try  
Try  
Sit down
