I'd like to kill nobody

Hold me to the light
All this for me
Arms wrapped around me

Breathe
Out
Gold
Cold

Hold me to the light
Hold me to the light
Hold me to the light
Hold me to the light

Hold me to the light
All this for me
Arms wrapped around me

Breathe
Out
Gold
Cold

All I could want
All I could need
All I could feel
All I could see

Damn myself
Am I safe?

Bought myself a better life
Gave myself a reward
A worse hand was never dealt
A worse hit was never felt

Damn myself
Am I safe?

I'd like to kill nobody

I'd like to kill nobody
I'd like to kill nobody
I'd like to kill nobody

Back
My
Self
Paid the price

Back
My
Self
Bought you a better life

Hold me to the light
See what I just might
Offer up forgiveness
Think that I'd forget this?

With all I could want
With all I could need
With all I could feel
With all I could see

Bought myself a better life
Gave myself a reward
A worse hand was never dealt
A worse hit was never felt

I'd like to kill nobody

Hold me to the light
All this for me
Arms wrapped around me

I don't think so
I don't think so
I don't think so, think so
I don't think so
I don't think so
