(Intro)

I get bitches, I get bitches.

(Verse)

Yeah, I get these bitches, I be getting checking

Every pussy and I'm with it,

Don't forget it, way before this rap shit.

I get bitches everytime a nigger pull up from the club.

I get bitches, niggers bitches leave then quickly give me hug.

Cause I've been about it, even back then when I was on retreat,

I was on the bleeds, had the baddest bitches on their knees.

I get bitches, they wanna laugh like shake the big ol' booties,

I get bitches, I guarantee I had to dig up in your cutie.

(Hook)

Baby, I'm the one, nigger with the dope,

Fly fresh nigger that be coming with them hoes.

I get bitches, every time you see me that's what I be doin,

I get bitches, every time you see me that's what I be doin,

I get bitches, please know that,

I get bitches, please know that,

I get bitches, please know that,

I get bitches

Everywhere I go I get these hoes, bro.

(Verse)

Wake up feeling so good, I may say it that I'm cold

Fat boy fresh, I'm swinging daily, your lady out of control.

I get bitches, who you know here out hip-hoping on these hoes?

I get bitches, look out the rich, I'm just like Rocky with these hoes.

Haters screaming stop it, DOG is knocking,
Sweety on this profit, but them pockets, all I check is
flacking.

I get bitches, who you know there selling out the
shows?

I get bitches, look out the seats, I'm putting leather
under hoes.

Dare it in the club until the nigger bitch she suck it
Then I'm never tucking, freshest dress and fuck the
stocking,

I get bitches, every time a nigger pull up on the same
I get bitches, I be so bent that a nigger got to lean.
And I ain't talking codaine, taking shots like booya-
booya,

I put it through, she gonna holla hallelujah.

I get bitches, they gonna see it in a young nigger eye,
I get bitches, my name titled on your girlfriend tight.

(Hook)

Baby, I'm the one, nigger with the dope,
Fly fresh nigger that be coming with them hoes.

I get bitches, every time you see me that's what I be
doin,

I get bitches, every time you see me that's what I be
doin,

I get bitches, please know that,

I get bitches, please know that,

I get bitches, please know that,

I get bitches

Everywhere I go I get these hoes, bro.

(Verse)

Get it cracking, hoe, I been about that action steady,
Mackleman, they go packing in part and getting
ratchet.

I get bitches, that's for real, I never been down with the
acting,

I get bitches, leave a blank and fill it in with the capture.

So she been the main attraction, know I be kind
assassin

Asking me if I got bitches, better pick another question.

I get bitches, cause it's sad, she wanted me to pass a
thing

Inside of her the rattle shit and singing her like
Madonna trick.

I ain't gotta call, make her drop the drawers

Everytime we ball on this beats gots me shelling like a
star

I get bitches, word it up, beat that pussy with a dope

I get bitches, I'm a star so she wanted it in raw.
I'm a mac, telling shawty throw it back,
Pussy falling in my lap while I'm pulling out the track
I get bitches, if I get it in the room is a round
I get bitches, get the bitch, let her fuck the whole track.

(Hook)

Baby, I'm the one, nigger with the dope,
Fly fresh nigger that be coming with them hoes.
I get bitches, every time you see me that's what I be
doin,
I get bitches, every time you see me that's what I be
doin,
I get bitches, please know that,
I get bitches, please know that,
I get bitches, please know that,
I get bitches
Everywhere I go I get these hoes, bro.
