My name is Mandy, second name is Grace
I wanna put a smile on your face
I think I'd like to get to know you well
Please allow me to introduce myself
I'd like to thank you for your loyalty
Because I know that you believe in me
I'd like to let you get to know me well
Please allow me to introduce myself

It's been my dream since I was just a child
Get the crowd going wild
With the music inside of me
It's been my dream since I was just a girl
Wanna sing for the world
With the songs that inspire me
You hear the melody you can't resist
There's nobody else got you feeling like this
It's awful nice to meet you
Want to introduce me to you
Allow me...

I know I can make it
I know damn well that we can work it out
I know we can can, yes we can can, we can,
Why can't we if you wanna we can get together

I'm looking at you if you couldn't tell
To sum it up, I'm like no one else
I think I'd like to get to know you well
Please allow me to introduce myself
I've been believing since before the hype
And I just want to sing for you tonight
I think I'd like to let to know me well
Please allow me to introduce myself

It's been my dream since I was just a child
Get the crowd going wild
With the music inside of me
It's been my dream since I was just a girl
Wanna sing for the world
With the songs that inspire me

You hear the melody you can't resist
There's nobody else got you feeling like this
It's awful nice to meet you
Want to introduce me to you
Allow me...

I know I can make it
I know damn well that we can work it out
I know we can can, yes we can can, we can,
Why can't we if you wanna we can get together
