They say that time will heal everything
They say that I will feel better in time
And I keep hopin' they are right
Cause I can't even see the light
So while I'm waitin' now, I pretend
That I am almost myself again now
And everybody says I'm strong
But I know that they're wrong because

Ten wild horses couldn't drag me away, oh-oh
Ten wild horses couldn't stop me from prayin' for my
baby
He left me in the torrent rain
This love, his love is like a hurricane
Ten wild horses couldn't tear it apart
Cause his cold-hearted love is like a nail in my heart
And my baby, he left me and he walked away
This love, his love is like a hurricane

I lie awake and I think about
What it'd be like if I could have held on
Cause he has got a part of me
Oh I'm missing, I'm missing, I am
He's got a little scar above his left eye
And when he looks at me it's like a blue sky
I can't believe I let him go
So if you see him would let him know?

Ten wild horses couldn't drag me away, oh-oh
Ten wild horses couldn't stop me from prayin' for my
baby
He left me in the torrent rain
This love, his love is like a hurricane
Ten wild horses couldn't tear it apart
Cause his cold-hearted love is like a nail in my heart
And my baby, he left me and he walked away
This love, his love is like a hurricane

Oh-oh oh-oh, hurri-hurri-hurricane
Oh-oh oh-oh, hurri-hurri-hurricane
Oh-oh oh-oh, he left me,, he left me like a hurricane

Ten wild horses couldn't drag me away, oh-oh
Ten wild horses couldn't stop me from prayin' for my
baby
He left me in the torrent rain
This love, his love is like a hurricane
Ten wild horses couldn't tear it apart
Cause his cold-hearted love is like a nail in my heart
And my baby, he left me and he walked away
This love, his love is like a hurricane

They say that time will heal everything
They say that I will feel better in time
