To my one and only
You know I been lonely
You know I've been waiting for you to come around
I know that you're busy
But can you please show me
Needed you to know what I was all about

The way you
And the way I
And you said that
And you touched me
And I loved it
And I told you
In the moonlight
That it was so intense
And then you kissed me
And you led me
To the stairway
With my guard down
In the morning
When I woke up
Yeah I realized
That it was so intense

You push and you pull me
You're blowin' me over
You're showin' me things I didn't know they exist
And I keep on going
Afterthoughts flowin'
Awake to the taste of you still on my lips

The way you
And the way I
And you said that
And you touched me
And I loved it
And I told you
In the moonlight
That it was so intense
And then you kissed me
And you led me

To the stairway
With my guard down
In the morning
When I woke up
Yeah I realized
That it was so intense

Oh oh, send me back
Oh oh, send me back again
(So intense)
Oh oh, send me back
Oh oh, send me back again

(Oh oh, send me back
Oh oh, send me back again)
[repeat in the background over the next verse]

I wanna get you around here
Get you around here
Make you say
Say my name out loud
I wanna feel that emotion
Be in the moment
Turnin' me
Turnin' me inside out
Turnin' me inside out
Turnin' me inside out

To my one and only
You know I've been lonely
You know I've been waiting for you to come around

(Oh oh, send me back
Oh oh, send me back again)
[repeat in the background over the next verse]

The way you
And the way I
And you said that
And you touched me
And I loved it
And I told you
In the moonlight
That it was so intense
And then you kissed me
And you led me
To the stairway
With my guard down
In the morning
When I woke up
Yeah I realized

That it was so intense
[x2]

(Oh oh, send me back
Oh oh, send me back again)
[repeat in the background over the next verse]

I wanna get you around here
Get you around here
Make you say
Say my name out loud
I wanna feel that emotion
Be in the moment
Turnin' me
Turnin' me inside out
I wanna get you around here
Get you around here
Make you say
Say my name out loud
I wanna feel that emotion
Be in the moment
Turnin' me
Turnin' me upside down

Oh oh, send me back
Oh oh, send me back
Oh oh, send me back
Oh oh, send me back
Oh oh, send me back
Oh oh, send me back again
Oh oh, send me back
Oh oh, send me back again...
