I can see the weight on your shoulders  
I can tell how much pain you feel  
And it's tempting your heart to turn colder  
But believe me, in time it can heal

Just keep movin' on 'cause the past is gone  
And what's done is done

Let it go, lay it down  
Oh there's no use carryin'  
The burden around  
Don't you know?  
It's okay to let it go

If I could, I would gladly relieve you  
Take your troubles and bear them away  
But your freedom will come from inside you  
Everyone has their own price to pay

If you're holdin' on to a past that's gone  
You may come undone

Let it go, lay it down  
'Cause there's no use carryin'  
The burden around  
Don't you know?  
It's okay to let it go

You've been bound by fear, but you hold the key  
To relieve your heart and set your mind at ease  
It's time for you to believe  
There's more to life than hangin' on,

Let it go, lay it down  
Don't you know?  
It's okay to let it go  
Lay it down  
'Cause there's no use carryin'  
The burden around  
Don't you know?  
It's okay to let it go

Don't you know?  
It's okay, let it go
