If it's all night long, mama, if it's all night long  
If it's all night long, mama, Lord, if it's all night long  
If you ain't got no hay, mama, better be on your way  
If you ain't got no hay, mama, Lord, you better be on  
your way

Hitch on my pony, mama, saddle my black mare  
You'll find me ridin', mama, Lord, in the world  
somewhere  
In the world somewhere, in the world somewhere  
You'll find me ridin', mama, Lord, in the world  
somewhere

If you haven't any hay, mama, let's go down the road  
If you haven't any hay, mama, let's go down the road  
If it's all night long, if it's all night long  
If it's all night long, mama, if it's all night long

Get your bucket and your basket, let's go to the wood  
Don't find no berries, mama, Lord, got to make lovin'  
good  
If it's all night long, if it's all night long  
If it's all night long, mama, if it's all night long

Make me one pallet<sup>1</sup>, mama, make it on the floor  
Make it calm and easy, mama, Lord, so nobody'll never  
know, never...  
Nobody'll never know, nobody'll never...  
Make it calm and easy, mama, Lord, so nobody'll  
never...

If it's all night long, if it's all night ...  
If it's all night long, if it's all night long

Give me one key, mama, to your back door  
You'll never be bothered, baby, with me on the front no  
more  
Oh never, never, never, never no more  
You will never be bothered, baby, with me on the front  
no more

If it's all night long, if it's all night ...  
If it's all night long, if it's all night long
