maine rakhli jaan hatheli pe  
main sadke prem paheli pe  
mujhko nahi jeena marna hai  
jaldi karlo jo karna hai  
mujhe darya vich doob jaane do  
thehro toofan to aane do

jaan o meri jaan - 2  
(mere seene main tera dil dhadke  
tere seene mein mera dil) - 2  
alag alag ab jeena hai mushkil marna hai aasan ) - 2  
jaan o meri jaan - 2  
o meri jaan meri jaan

(chup reh ke khamoshi se maine tujhe pukara bhi ) - 2  
kabhi kabhi in aankhon se maine kiya ishara bhi  
tere ishara main nahi samjhi main kaisi naadan  
jaan o meri jaan - 2  
meri jaan

(tere naam se hi mujhko duniyawale jaanenge) - 2  
teri surat dekhke ab log mujhe pehchanenge  
main teri pehchan banoongi tu meri pehchaan  
jaan o meri jaan - 2  
meri jaan

(is duniya ki nazron se humko dur nikalna hai  
lekin tujhko yaad rahe haath pakadkar chalna hai) - 2  
yahan talak to thik tha aage rasta hai anjaan  
jaan o meri jaan  
jaan main teri jaan teri jaan

(mere seene main tera dil dhadke  
tere seene mein mera dil) - 2  
alag alag ab jeena hai mushkil marna hai aasan  
jaan o meri jaan  
jaan main teri jaan teri jaan

jaan main teri jaan teri jaan
