What is this phase that I am going through?  
Oh, these precious years  
Please take my hand and let me breathe again  
Young depressive tears

We stumble blindly chasing  
Something new and something sinful

You take my time, you live my life for me  
What have I done to rate this penalty?  
You suck me dry  
My body cries

We stumble blindly chasing  
Instant thrills and lasting memories

Accent on youth  
Attention oh  
Ascends on you  
Oh oh

I scream with frustration and lost control  
Open for the blows  
My hands fall limp and hang down by my side  
Take my soul and go

We stumble blindly chasing  
Dancing lights and others' wishes

Accent on youth  
Attention oh  
Ascends on you  
Oh oh

Just let me close my eyes and slip away  
Dream a dream alone  
You give me just enough rope for the task  
Let this man alone

We stumble blindly chasing  
Silhouettes and vacant faces

So well rehearsed our moves  
Once so graceful turn against us  
We stalk dark passages  
We're looking for that sweet surrender

Accent on youth  
Attention oh  
Ascends on you  
Attention oh

Accent on youth  
Ascends on you
