"Brilliant"

Somewhere Sure, Somewhere Safe Inside
A World Where You Reside
Where chance and Trust Have Died,
A World Where You Can Hide Away
Hide Away
No Tomorrow, No Today

You, The Brilliant Thing You are
And shine Your Brightest Star,
Too Distant And Too Far Away,
You, You Legend Deep inside,
Religiously Tonight, Tonight.

Step Out From Mask You Stand Behind,
Fearful Lost And Blind,
Time To Take The Time
The Pressure's On You
Hide Away, Hide Away,
No Tomorrow, Just Today

You, The Brilliant Thing You are
And shine Your Brightest Star,
Too Distant And Too Far Away,
You, You Legend Deep inside,
Religiously Tonight, Tonight.
