Dangerous rhythm  
Dangerous rhythm  
Dangerous rhythm in the air

Stranger to stranger  
We're both dressed for danger  
Something is generating here

Oh, take off your halo  
For the all night inferno  
Something is happening in the air

It's not like anything I've ever known before  
And I don't care

Dangerous rhythm  
Dangerous rhythm  
Dangerous rhythm in the air

Surging and merging  
Urgent and urging  
Soft as a footstep on the stair

The red light is on now  
My gravity's gone and how  
I can feel something in the air

It's not like anything I've ever known before  
And I don't care

Dangerous rhythm  
Dangerous rhythm  
Dangerous rhythm in the air

Dangerous rhythm  
Dangerous rhythm  
Dangerous rhythm in the air

Dangerous rhythm  
Dangerous rhythm  
Dangerous
