Give us this day all that you showed me  
The power and the glory till my kingdom comes

Give us this day all that you showed me  
The power and the glory till my kingdom comes  
Give me all the storybook told me  
The faith and the glory till my kingdom comes

And they said that in our time all that's good will fall  
from grace  
Even saints would turn their face in our time  
And they told us that in our days different words said  
in different ways  
Have other meanings from he who says in our time

Give us this day all that you showed me  
The power and the glory till my kingdom comes  
Give me all the storybook told me  
The faith and the glory till my kingdom comes

And they said that in our time we would reap from their  
legacy  
We would learn from what they had seen in our time  
And they told us that in our days we would know what  
was high on high  
We would follow and not defy it, in our time

Give us this day all that you showed me  
The faith and the glory till my kingdom comes

Faithless in faith we must behold the things we see

Give us this day all that you showed me  
The faith and the glory till my kingdom comes

Give us this day all that you showed me  
The power and the glory till my kingdom comes  
Give me all the storybook told me  
The faith and the glory till my kingdom comes

Give us this day all that you showed me  
The power and the glory till my kingdom comes
